

Interior Layout - 5 cabin

All cabins have large en-suite heads, including shower, basin and electric toilets

The hostess is especially catered for in this large practical and attractive galley. It is central to everything and well equipped with stove, microwave, double sink, dishwasher (optional), full sized fridge freezer and good storage for provisions, cutlery and utensils. The corian work surfaces and serving area into the cockpit are added features. The Galley is well ventilated and well lit.

This private area for owner, with office desk and shelves can be used as a study or office. There are courtesy lights in all passageways and cabins and on all steps

The owner's en-suite has the option of a bath and/or shower plus toilet.

The owner's cabin is very spacious, light and airy. It has lots of cupboard space and has a built in vanity area with mirror and seat.

Large aft cabins offer a double and single bed each with hatches portlights, cupboards, aircon, fans, power point and good lighting

Additional storage areas for refuse, compressor, safety equipment, tools, recreational items.

Several table types available: flap down, extendable, or chest freezer as base.

Counter cupboards can hold washing machine, tumble dryer drinks fridge or icemaker.

Various seating options available

Wide dive platform perfect for many divers to enter the water simultaneously or for storing dive tanks or tender boats.

Dive Steps - easy access for entering the water or for divers to board the boat.

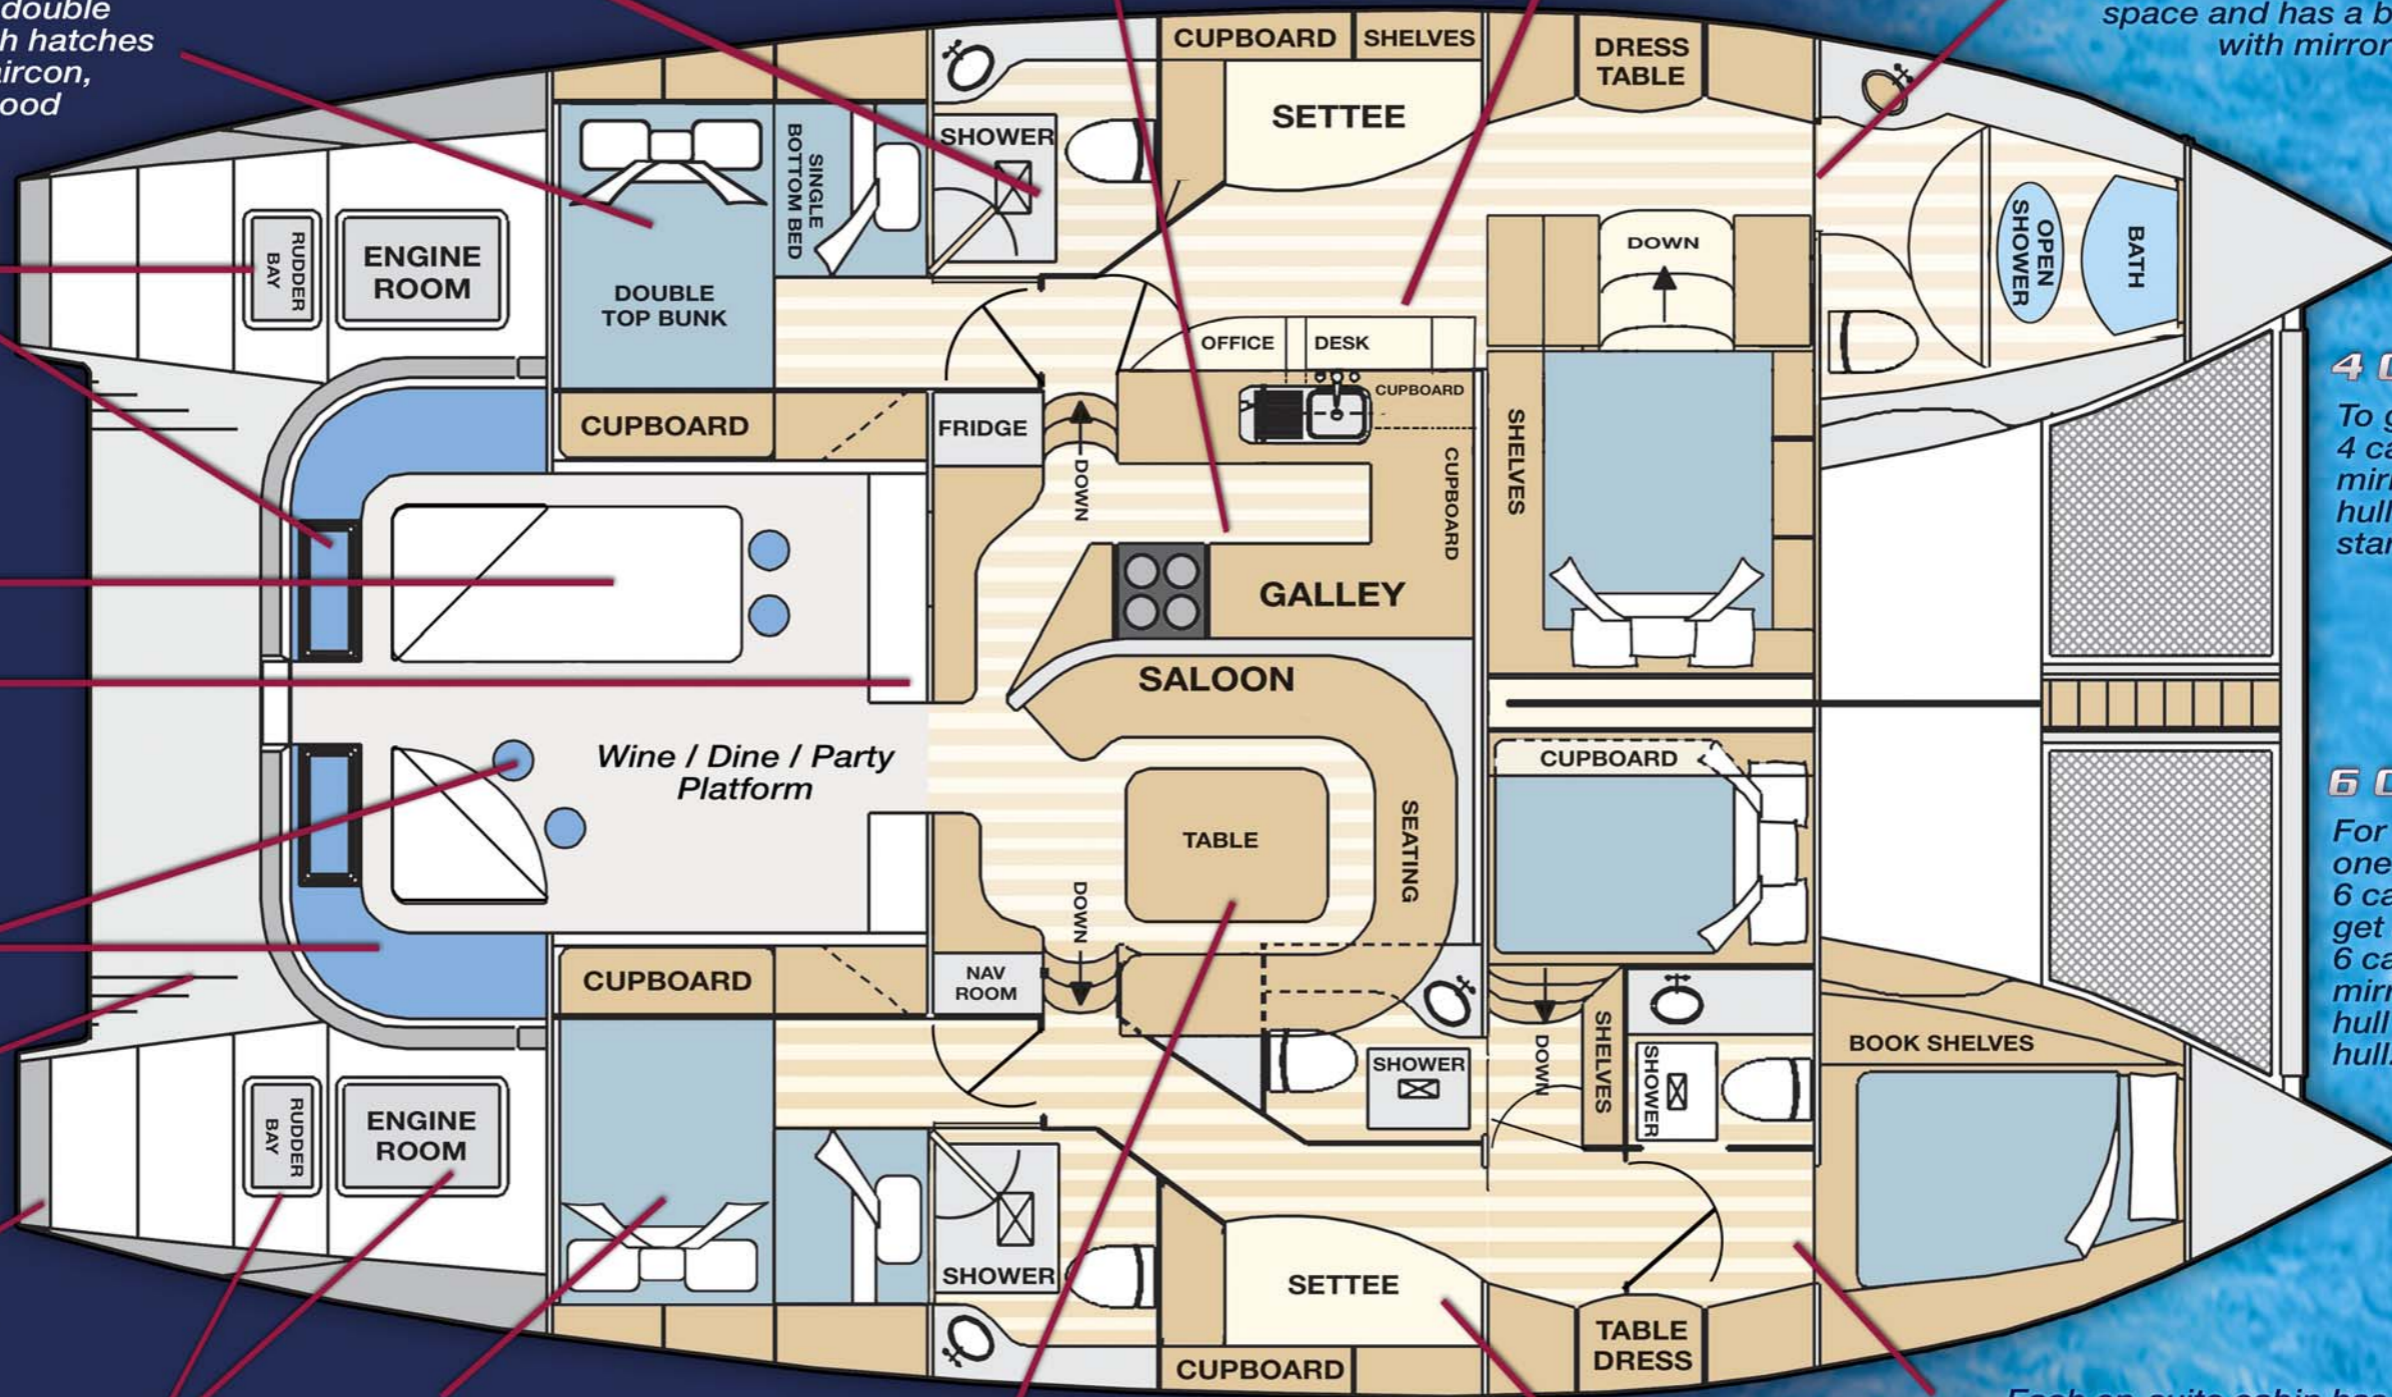

The engine and rudder bays are externally accessed. They are large bays, well ventilated and are sealed and separate from the rest of the vessel. This prevents fumes, oil, and noise from entering the cabin areas.

With the amount of private space offered on this boat everyone has the opportunity to do as they wish without impacting on others. Read, relax, sleep or frolic... your choice!!

This saloon offers ample seating with luxurious leather cushions and a variety of table options. Drop side, or with freezer chest base. Dimmer lights, soft music/TV offer a quiet romantic feel, or you can open the sliding doors, turn up the sound and party.

The Majestic 500 has wide passages with exceptional headroom and storage for provisions and equipment throughout the vessel.

Each en-suite cabin has a changing area and is self contained and private. No sharing of tooth-brushes wet towels and toilets.

4 Cabin Layout

To get an idea of a 4 cabin layout, simply mirror the port-side hull onto the starboard hull.

6 Cabin Layout

For charter purposes one may prefer a 6 cabin layout. To get an idea of a 6 cabin layout, simply mirror the starboard hull onto the port-side hull.
