

Majestic 570 Fly

Majestic 570 Fly

Royal Cape Catamaran's stylish new Majestic 570Fly features modern lines with an exciting, fresh new look. There are benefits to functionality, safety and performance. Increased freeboard, larger windows with more natural light and visibility. A longer waterline length enhances performance and increases buoyancy. The 570Fly also offers larger trampolines and more sail area.

The elegant interior of the Majestic 570Fly is also enhanced with more space, comfort and functionality in the salon, galley, cockpit and cabins. Customers have the choice of various interior finishes with Royal Cape Catamaran's impeccable craftsmanship. Layout options include 4, 5, or 6 superbly appointed staterooms with dry heads, separate showers and superior ventilation.

The flybridge option offers amazing panoramic views and also serves as an additional entertainment area with plenty of seating and bar area including fridge. Ideal for a charter boat, allowing guests to sit with the skipper.

The Majestic 570Fly is extremely well equipped with top quality appliances, communication and navigation systems. Superior battery, water and fuel capacity, plus extendable solar panels are ideal for long range voyagers. The unique dive/fish/BBQ/outdoor storage area has been increased and the dive platform doubles as a tender lift.

The Majestic 570Fly is a unique, classic blue water cruiser, amazing island hopper and superb charter vessel. A winner and exceptional value for a cruising family or charter business. This Majestic offers considerably more than the competition and is exceptional value!
