

Majestic 530

Majestic 530

The Majestic 530 incorporates many great features to:

- Provide more light, visibility and ventilation.
- Provide substantially more space in the salon, galley, cockpit and cabins.
- Increase deck space and provide for seating on the bimini, and above the cabins.
- Offer additional options for portlights.
- Increase the size of the unique dive/fish/barbeque outdoor storage area.
- Provide greater functionality, safety and comfort for all.

Features of the Majestic 530:

- 4, 5 or 6 spacious double en suite cabins.
- Great head room, space, storage and natural light.
- Superior ventilation in galley, cabins, salon and cockpit especially when at anchor and cooking.
- Ample air conditioning, fans, lighting, TV's and AC/DC power points.
- Outdoor washer drier to reduce heat generation and wet activity indoors.
- More battery, fuel and water carrying capacity for long range voyages.
- Water maker produces more than most, feeding washer drier & dishwasher.
- Generator, alternators and unique extendable solar panels, power appliances and compressor.
- Dive / swim / tender platform.

Safety: A major feature of the Majestic range

- Solid stainless safety rails.
- Wide flat uncluttered walkways.
- Seating along the sides with ample grab rails.
- Safety lines to clip harnesses onto when in rough seas.
- Safely positioned and bulkhead protected helm position.
- Secure rigging with inner fore stay and double outer stays.
- Well laid out and secure engine bays providing space to work safely in following seas.
- Numerous safe ocean crossings with detailed logs showing good performance and economy.

The Majestic 530 remains a unique and classic blue water cruiser, amazing island hopper and superb charter vessel, built to the buyers specifications, always with superior finishes and incredibly well equipped! The latest version of the Majestic 530 will increasingly offer more than the competitors and continue to be exceptional value.
